2016

PILOT Prize to the Logistics Excellence 2005

M.Z. DEL RIO, S.A. is a company with a familiar shareholder whose origins go back to the year 1951. Since it was founded by Del Rio brothers, its main activity is the fabrication and distribution of sanitary items, mainly faucets and basin wastes.

The headquarters and the factory are located in the Industrial Area Empresarium, Cartuja Baja in Zaragoza, in a plot of 7.537,50 m², where it has been built 3.500 m² for the factory and 700 m² for the offices.

Sales are divided between a 60% Spanish market and a 40% export mainly to America, and also present in 32 countries.

Since year 2004 has a subsidiary in Florida (United States), MZ U.S.A. Inc. that acts as a regulatory warehouse, for all sales in this country, keeping stock and delivering straight to the customer.

The company has the certificate of quality system since 1989, according to the norm ISO-9001, likewise, it has well-established systems of total quality. MZ DEL RIO, S.A. counts with the homologations of its products according to the Spanish Ministry of Industry and with the norm ASME A118 for products supplied in United States.

M.Z. DEL RIO, S.A., counts with numerous recognitions in almost 60 years of existence, among them we can emphasize two; finalist of prize MANAGERIAL EXCELLENCE for PYMES in the year 2000 and PILOT prize in Logistics in the year 2005, both of them granted by Aragon government.

Luis Miguel del Río.

La confianza del control total

Confidence of a total control

FABRICACIÓN Y MONTAJE / MANUFACTURING AND ASSEMBLY

Exigentes controles de calidad acompañan todo el proceso: materiales, test de fugas, ensayos... hasta el ensamblaje y expedición final.

Demanding quality controls are performed during the process: materials, gauge checks, leaking test... to the final packaging and delivery.

Cada producto es el resultado de un estudio minucioso para poder ofrecer al usuario calidad, funcionalidad, estética y durabilidad.

Each product is the result of a detailed study to offer quality, functionality and esthetic and durability.

▲ Materiales.

Se adquiere la materia prima en bruto de primera calidad, lingote según norma UNE-EN 1982 (CB755S).

Materials.

First quality raw material,
brass ingot according to UNE-EN 1982 (CB755S).

MZ es grifería y productos de fontanería, y experiencia e innovación son los términos que la definen después de seis décadas de fabricación y evolución en soluciones para el baño y la cocina.

After six decades of manufacturing and development solutions for bath-room and kitchen, experience and innovation are the terms that best define MZ, faucets and plumbing products.

DISEÑO 3D / 3D DESIGN

Diseños propios, que se nutren de los requisitos y sugerencias de nuestros clientes.

Own designs that mostly are based on its customers' requirements and suggestions.

▲ **Alta precisión.** Proceso de mecanizado para el desarrollo de todos los productos y componentes.

High accuracy. Mechanize process with high accuracy machines.

▲ Cámara de niebla salina.

Se somete a altas temperaturas durante un tiempo que duplica el exigido por la normativa. El resultado es un acabado con un brillo especial capaz de mantenerse como el primer día incluso en los ambientes más salinos.

Salt spray machine.

To assure the quality of finish, MZ realize salt spray test for a time twice the standard requirement. As a result, MZ chrome and other finish show a special appearance, able to stay as the first day even in the most saline environments.

INSTALACIONES / FACILITIES

3500 m² de fábrica y 700 m² de oficinas, recientemente modernizadas.

Factory 3500 m² and office 700 m², recently updated.

Formación y experiencia en cada etapa del proceso.
Experience and training in each process.

MZ controla todos los procesos durante la fabricación de sus productos, desde la idea o concepto hasta la materialización final, pasando por el diseño estético y funcional, todos ellos sometidos a los estándares de calidad más exigentes (posiblemente únicos fabricantes en España con certificación UPC, Estados Unidos).

MZ controls all manufacturing processes of its products, from the idea or concept to the final production, through the esthetic and functional design, always according to the most demanding quality standards (possibly the only Spanish faucet manufacturer with UPC certification, USA).

▼ **Fábrica y almacén MZ.**
MZ factory and warehouse.

LA CALIDAD COMO SEÑA DE IDENTIDAD / QUALITY AS HALLMARK

Desde la materia prima hasta el embalaje del producto, se siguen los requisitos de calidad más exigentes y son verificados por nuestro personal cualificado.

From raw material to packaging, we meet the highest quality requirements and are checked by our qualified staff.

▲ Cromado.

Superior a la mayoría de los fabricantes, con un espesor mínimo de 15 µm de níquel y 0,5 µm de cromo.

Chrome.

With minimum thickness of 15 µm of nickel and 0.5 µm of chrome.

▲ Test de fugas.

Se comprueba el 100 % de la grifería. A través de máquinas de aire a presión, verificando la total estanquidad de cada producto.

Leaking test.

100 % of our faucets are checked against leakage with air pressure machines.

La tecnología que suma ++

The adding technology ++

38°

Cartucho compacto y fiable, con un sistema innovador de fijación que asegura una larga vida y eficacia del mismo.

A compact and reliable thermostatic cartridge, designed with an innovative fixing system that enables a long life and efficiency in all application.

Alta tecnología, capaz de compensar los cambios de presión y temperatura.

Mantiene estable la temperatura de salida seleccionada.

High performance thermostatic cartridge that ensure the steadiest mixed outlet water temperature. Compensate for changes in supply pressure and supply temperature.

Material polimérico de alta calidad que evita la acumulación de cal. Certificación ACS y KTW.

High performance thermoplastic polymers that avoid lime scale adherence. ACS and KTW certification.

Sistemas antifricción en los mandos para un manejo suave y cómodo.

Handle antifriction systems for a soft use.

Válvula antirretorno.

Cumple la norma UNE-EN 13959.

Check valves.

according to UNE-EN 13959 standard.

Toque frío.

Un exclusivo sistema de fundición y mecanizado interior evita quemaduras indeseadas.

Cold touch.

An exclusive mechanize and foundry system avoids undesirable scald.

Tope de seguridad situado en 38 °C

38 °C (100 °F) security stop

Evita el escaldamiento al cortar el flujo de agua si falla el suministro de agua fría

Anti-scald function:

Shut the water flow upon cold water supply failure

Apto para la desinfección de la legionela a 70 °C
Suitable for legionella disinfection at 70 °C (158 °F)

Fácil de montar y desmontar

Easy to assemble and disassemble

Cumple las normas EN 1111 y ASSE 1016

Thermostatic cartridge complies EN 1111 and ASSE 1016 standards

Dispositivos que consiguen hacer un hogar sostenible.
Ahorre energía sin perder confort.

*Water saving products for a sustainable home.
Save water without compromising on comfort.*

Soluciones más eficientes

More efficient solutions

Los modelos con el símbolo **mz ecolife** incorporan sistemas diseñados para ahorrar hasta un 50 % de agua y energía en el hogar.
Así se consigue conservar nuestro planeta más eficazmente.

*Models with **mz ecolife** symbol include systems designed to reduce water consumption up to 50 % and also energy.
An efficient way of conserving our planet.*

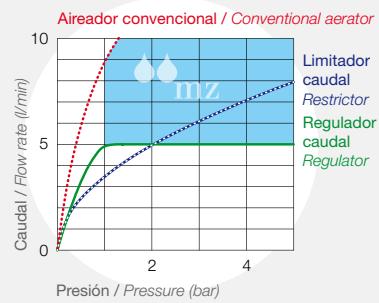

mz ecolife termostático

mz ecolife thermostatic

Control de la temperatura de confort desde que se abre el grifo.

*Thermostats gives always the right temperature event against pressure changes.
No more time and water wasted fiddling with the controls to get the right temperature.*

Ahorro de agua / Water saving

mz ecolife reductor de caudal grifos

mz ecolife control flow rate faucets

Aireadores con regulador de caudal, que limitan el caudal de agua incluso con aumento de la presión, sin perder el confort.
Limitador de caudal incorporado, sin costo, en griferías con este indicativo.

*Pressure Compensating Aerators, comfort flow rate at low pressure and constant-limited flow rate regardless of pressure fluctuations.
Flow rate restrictor included, free of charge, in faucets with this indicative.*

mz ecolife control de apertura en frío

mz ecolife cold water start

Evita el encendido de la caldera y reduce el consumo de agua caliente.

Avoids the unnecessary heating of water and help to save energy.

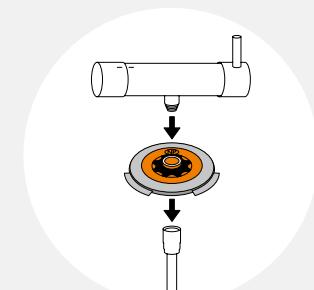

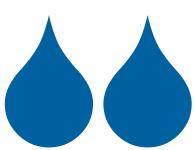

mz ecolife duchas y rociadores

mz ecolife hand-showers and head-showers

Sistemas de ahorro de agua (40 %) que el usuario puede instalar fácilmente.

Systems that save up to 40 % water with and easy installation.

CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouse as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the listing criteria. No guarantee is made as to any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

The most updated information on this Certificate of Listing is available online at pld.iapmo.org

Effective Date: August 2015 -Rev. 10/21/2015- Void After: August 2016

Product: Plumbing Fixture Fittings File No. 4647

Issued To: MZ Del Rio, S.A.
Pol. Empresarium
Calle Lentisco, 12
La Cartuja Baja
Zaragoza 50720,
Spain

Identification: Each fitting shall bear permanent legible markings to identify the manufacturer. This marking shall be the trade name, trademark, or other mark known to identify the manufacturer. The product shall also bear all other markings required by the standard. The marking shall be located where it can be readily seen after installation is complete. The product shall also bear the cUPC® certification mark.

Characteristics: Fittings may include lavatory, sink, bath & shower, lawn and sediment faucets. To be installed in accordance with the manufacturer's instructions and the requirements of the latest edition of the Uniform Plumbing Code.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.

Products are in compliance with the following code(s):

Chairman, Product Certification Committee

CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing.

Limited Lifetime Warranty

MZ guarantees its faucets and bathroom accessories, with a Limited Lifetime Warranty to the original purchaser with proof of purchase. The product is guaranteed to be free from defects in materials and workmanship under normal usage and installed as per instructions and/or local regulations. This warranty is non transferrable. This warranty does not apply if damage is caused by misuse, abuses, improper cleaning, care and maintenance or use of non Compatible replacement parts. This warranty does not cover any labor charges incurred or damage caused by installation, repair or replacement. Manufacturing defects in special finishes are limited to 5 years. MZ recommends a professional plumber for all installation

MZ will replace, free of charge, during the waranty period any part or finish that proves defective in material under normal installation, use and service. The customer will pay delivery fees or any other charges could be applied

This warranty is limited to the above. This warranty and any warranties implied by state law, including the implied warranty, apply only to products purchased after July 1st, 2004. MZ will not be held liable for any loss, damage, or expense, incidental, or consequential damages of any kind whether based on warranty, contract or negligence arising in the sale, use or repair of the product.

This warranty gives you specific legal rights; you may also have other rights which vary from state to state. Unless otherwise contrary to state law governing the purchase, MZ liability will not exceed the contract price for the product claimed to be defective or unsuitable and is applicable only to products purchased through MZ and installed in The United States.

Sales, Terms & Conditions

Orders: All orders are subject to acceptance by MZ. A P.D. is requested by fax or email.

Prices: Shown on List. All pricing are subject to change without notice.

Cancellation of Orders: Orders placed with and accepted by MZ may be cancelled as long as no shipment has been made against the order and with written approval from MZ.

Freight: Orders for faucets, accessories, will be shipped by UPS ground service unless requested different by the customer. This charge will be included on your weekly invoice.

Shortages: All shortages must be reported to MZ within 5 days of receipt of shipment.

Payments: All accounts are payable in United States currency. COD, Net 30 days terms from the date of the invoice. A service of 1.5% will be applied on outstanding invoices. This amount will be reflected on your next invoice.

Returned Goods: Products purchased from MZ cannot be returned without written authorization. Customer of MZ may return non-discontinued, saleable material for credit. Authorization must be obtained prior to return and freight must be pre-paid by the customer. All goods authorized for return must be accompanied with a copy of our RMA form. Merchandise must be received in good condition in its original boxes with all components. All returns are subject to a 25% restocking fee.

Damaged Goods: For you protection we ask that you sign all packing list. (Shipment received subject to inspection). In the event that damage exists, it is the responsibility of the consignee to file a claim with the carrier within 7 days. As well as notify MZ. Our responsibility stops at our facility. If you have a claim from the carrier, please do not hold back the payment to MZ, expect MZ to take the claim action on your behalf.

If materials are damaged in transit, the Delivering Transportation Company (Carrier) is required to make notations of damages on your packing list.

If in your opinion there may be concealed damage, the transportation company is obligated to make an inspection after the goods are unpacked. Freight rates are made in proportion to damage liability, therefore, the carrier not the shipper, should be charged with any loss or damage and the claim should be filed with the Delivering Transportation Company.

Care and Cleaning: Faucets, accessories and stainless steel products. Simply rinse your faucets and accessories with a damp cloth and clear water. Dry the finish with a soft cloth. Clean your stainless steel products with any approved stainless steel cleaner or soft scrub cleaner. Do not use abrasive cleaners, clothes, towels or sponges. Do not use cleaning agents containing acids, or harsh cleaners.

M.A.P. POLICY

All MZ U.S.A. Inc. products that are advertised on an ecommerce website, newspaper ad, television commercial or any other form of advertisement must adhere to our M.A.P. (Minimum Advertised Price) policy. Any violators of the M.A.P. policy will be suspended, and may lead to the account closure.

The minimum price to which any product can be advertised is calculated as: 30% discount on any price list in effect at any time.
